Examiner Comment

Improperly numbered claims renumbered

The numbering of claims is not in accordance with 37 CFR 1.126 which requires the original numbering of the claims to be preserved throughout the prosecution. When claims are canceled, the remaining claims must not be renumbered. When new claims are presented, they must be numbered consecutively beginning with the number next following the highest numbered claims previously presented (whether entered or not).

Misnumbered claims 11 (second occurrence) through 44 have been renumbered 12-45.

Drawings

The Drawings filed 03/01/2002 appear in this application's electronic file as being smudged with darkened areas. The examiner acknowledges that the poor quality of the imaged drawings may very well be the fault of the Office, but they are all the examiner has ready access to. A clean copy of the Drawings is requested/required.

Any inquiry concerning this communication should be directed to **Ralph Lewis** at telephone number **(703) 308-0770**. Fax (703) 872-9306.
